DISABLED TICKET POLICY

Please see below Munster Branch IRFU Disabled Ticket Policy which applies to Season 09/10

Munster Rugby operates a disabled ticketing policy whereby:

- A limited number of tickets in the designated disability areas at Thomond Park and Musgrave Park are available on a first come first serve basis for any person who, because of his/her disability or impairment, is unable to use a seat in the stand or stand in the terrace (“Disabled Supporter”). This policy does not apply to persons who are dependent on using wheelchairs and such persons should refer to Munster Rugby’s wheelchair ticketing policy.
- An application for a disabled ticket should be submitted to the ticket office no later than 4 weeks before the date of the fixture which the Disabled Supporter would like to attend.
- The designated disability areas are located in the West Touchline area of both Thomond Park Stadium and Musgrave Park.
- All applications should contain full contact details. Please complete the attached application form.
- Each applicant will be notified no later than 2 weeks before the fixture whether or not he/she will receive a disabled ticket for that fixture.
- Any Disabled Supporter who requires the assistance of a carer in order to view the event in safety and in comfort can apply for a complimentary carer ticket who will also be seated in the designated disability area. If the requirement for a carer is not obvious, Munster Rugby will be entitled to ask for evidence of carer necessity. Carers must be capable of supporting the Disabled Supporter’s needs in the event of an emergency. Therefore, Munster Rugby recommends that carers are aged 16 year or older and are not infirm.
- Disabled Tickets cost the same as a Cat A Stand ticket.
- Tickets and all relevant entry information will be distributed to each successful applicant on receipt of full payment.

Munster Rugby Ticket Office

- A disabled person can choose not to sit in the designated disabled area, however the individual will forfeit the entitled related carer ticket.
- Where disability is not obvious, Munster Rugby reserves the right to request proof of disability. Such proof may include:
 - a. A copy of the Disabled Supporter's disabled parking card as issued by the Disabled drivers association
 - b. A personal letter from the Disabled Supporter's GP
